The Captain Paul Watson Foundation Partnership with Sea Shepherd Origins
 Sea Shepherd Origins represents the international Sea Shepherd groups that are remaining true to the original objectives that - established for Sea Shepherd in 1977.
 These include Sea Shepherd France, the U.K. Branch, New Caledonia, Tonic, Austria, Canada, Uruguay and Hungary.
 The Captain Paul Watson Foundation has been established to replace the Sea Shepherd groups that have deviated from those objectives.
 The Foundation is now established in the United States and Austria and donations to the Foundation in these countries will be used to operate the ships owned by the Captain Paul Watson Foundation worldwide.
 So if you - live in the United States, or Austria - please support our efforts by donating to www.paulawatsonfoundation.org
